You should resize your pictures to a width of 1024 pixels if a landscape or a height of 1024 pixels if the picture is a portrait. In both cases you should set the resolution to 72 pixels/inch.

If you would rather not deal with resizing then you could create a CD and give it to me at our Dec. 4th meeting. I will resize your pictures for you. If you want to put your pictures on a USB FLASH DRIVE and bring it to the meeting, I'll have my laptop at the meeting which then I could copy your pictures onto my system which would save a CD if you would like.

The Photo Arts Annual Photo Contest will be displayed March 20th through April 26th. Members are asked to help process the prints entered Saturday, March 14th.

Possibly changing the categories for this year's contest was discussed.

The 6 classes to be held starting in January and running for six Tuesdays were discussed. Members conducting these classes will meet soon to finalize the order and dates.

The teachers will be Steve Stalker, Ruth Rittichier, John Dillon, Todd Grinonneau, Ben Anderson and Joe Pizzutto.

We are restoring the name of our club to it's original form of Photo Arts Club of Toledo on all business, forms and correspondence.

The members have been asked to read the constitution and by-laws of the club, bring in any outstanding issues from previous meetings and the contest form. If any suggestion or changes needed. The group will meet on December 11th at an earlier time of 7:00 PM.

The motion to close the meeting was made at 9:30 by TJ Singh and seconded by Ruth Rittichier.
